SUBMISSION OF FORMAL DRAWINGS
(Replacement Drawing and New Drawing)

Sir:

Submitted herewith are formal drawings, for Fig. 6 and Fig. 17.

Turning now to Fig. 6, it will be noted that two (2) sheets are submitted. One sheet includes the legend "Replacement Sheet" at the top, where as the other sheet does not.

Similarly, two (2) sheets are submitted showing Fig. 17, with one sheet showing the legend "New Sheet" at the top, where as the other one does not incorporate such a legend.

Dual sheets are being submitted, to ensure that these sheets properly comport with Office rules.

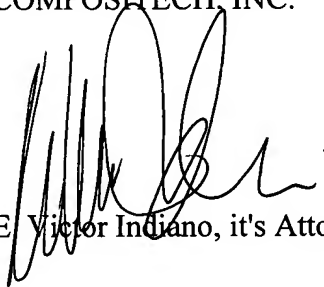

These sheets are being submitted as a follow-up to the Response to Official Action that was mailed to the Office on 8 June 2005. In that Response, the changes that were made to Figs.

6, which caused the sheet being submitted herewith to differ from the one submitted hereto before are explained. Additionally, the new drawing shown in Fig. 17 is explained, which includes an explanation of why Fig. 17 is believed it not to constitute new matter.

Acceptance of these drawings is respectfully requested. If the Official Draftsman has any questions relating to these drawings, he is respectfully requested to contact the Applicant's Attorney, **E. Victor Indiano at 317-822-0033** as soon as possible.

Respectfully submitted,

COMPOSITECH, INC.
